Summary of Experience

Nicholas joined the practice in 2004. He was made an Associate in 2014 and a Senior Associate in 2019.

During his time with RSHP, he has worked on a varied selection of projects, including the Macallan Distillery and Visitor Centre in Speyside, Scotland; and major projects in London, including The Leadenhall Building; One Hyde Park and NEO Bankside residential developments; and a major refurbishment and extension to the British Museum.

As a Senior Associate, Nicholas takes an active leadership role within the design team, working the design direction and management and coordination of all aspects of the project, from engagement with the client team, project stakeholders and consultant team to driving the project through all stages from concept to completion.
