

Addy Lin

Qualifications

MSc Construction Management
BSc Architecture and Urban Design

Education

1996 - 98 BSc Architecture and Urban Design, Swinburne University of Technology, Melbourne, Australia
1990 - 94 BSc Architecture and Urban Design, Chinese Culture University, Taipei, Taiwan

Practice

2016 - Rogers Stirk Harbour + Partners (RSHP)
2003 - 16 CECI Engineering Consultants
1998 - 2002 Archiasia

Summary of Experience

Addy joined RSHP after the practice won the competition to design T3 at Taiwan International Airport.

He has worked in the architectural and construction industries for over twenty years and has had extensive experience in both architectural design and project management. Prior to working for RSHP, Addy worked on many of Taiwan's public projects, including MRT (mass rapid transit) stations, hospitals, railway stations and parking lots where he saw the projects through from design to construction.

Addy is currently based in Taiwan.

Key Projects

2016 - Taoyuan Airport Terminal 3, Transport and Infrastructure, Taiwan
